Memorandum for Mr. H. C. Scudder:

There have been returned to this office the blanks forwarded by you to Mr. J. C. Paradise. You will note that they were forwarded from Juneau to Yakima, Washington, and were unclaimed at the latter place. The list furnished this office by Mr. Walker gave Mr. Paradise's place of business as Juneau, hence it is thought that you may be able to locate him and personally see that a report is secured. The documents as sent out are inclosed herewith.
